La classifica Italian DJ Charts viene battuta dai deejay italiani di tutta l'Italia, e pubblicato ogni venerdì. Titoli che già da 15 settimane sono in classifica vengono bloccati e non si possono più battere. Tutti le punti vengono contati e confronto hai dj member di questo periodo estrapolati, così non ce un svantaggio per i titoli nella classifica del mese e dell'anno. Sotto Bullets vengono presentati i titoli che ancora non sono entrati nella classifica Top 100, però i punti bastano per le posizioni 101 fino a 120. Questa classifica IDJC si può spargere, però soltanto se lettore viene nominato.
